EXPERIENCE

Deutsche Bank USA

New York, NY

Corporate Investment Banking: Corporate Finance Dreamer Intern

June 2017 – August 2017

- Analyzed retail markets using Deutsche Bank databases as well as online publications such as MarketWatch and the Wall Street Journal
- Gave essay reports on the impacts of significant events and trends within the retail industry
- Created cash flow models for mock real estate property investments and determined the internal rate of return (IRR) for the investment in Excel
- Created a 3-way integrated financial model which included the 3 standard financial statements to show the forecast performance of a fictitious technology company in Excel
- Conducted research on industries that needed development finance in low income areas of New York City and compiled the data into a coherent 13-slide PowerPoint presentation to Vice Presidents, Directors and Global Heads as a part of a 6-person microfinance and social responsibility team project
- Shadowed analysts and associates as they developed the valuation models for various leveraged buyout and M&A deals
