## PROFESSIONAL EXPERIENCES

**Ivee**, Brooklyn, NY (Remote due to  
COVID-19) *Business Development Intern*

June 2020-Present

- Initiate contact with 20 corporate HR departments weekly to explain and promote how Ivee can modernize their operations
- Advise the Founder and CEO regarding our progress with best-fit partners, how to evaluate them, and innovative ways to create systemic alignment while driving Ivee's scale

**BLK Capital Management**, Cambridge, MA

*Sponsorships Chair*

November 2019-Present

- Shaped strategic direction of a 100% Black, student-run investment fund with \$100,000 AUM by serving on its Executive Board
- Evaluated and forged key relationships with more than 15 leading financial firms to facilitate members' professional recruitment
- Presented 5 separate pitches to the Special Situations team portfolio manager

**Goldman Sachs**, New York, NY

*Securities Summer Analyst*

June-August 2019

- One of 20 interns selected to undertake a nine-week sophomore summer internship with rotations between the Prime Brokerage & Multi Asset Platform Sales Teams, culminating in a Summer 2020 return offer
- Expanded knowledge of market dynamics and trends by shadowing over 100 traders across 3 different asset classes and tracking excess returns within each asset class relative to a given ETF or industry benchmark
- Synthesize team research, data analysis, and documentation workflow in Bloomberg to improve evaluation of hedging and portfolio allocation and assist in compiling findings then presenting 4 separate pitches for senior leadership

**Deloitte**, Parsippany, NJ

*Freshman Pioneer Intern*

June-August 2018

- Prepared a Fortune 500 Company's 10K report by cross-collaborating with the industry's Audit team, composing risk reports, transcribing GAAP-method controls to the Audit Online system, and formulating management representation letters
- Analyzed and discussed multiple case studies around the state of the Accounting field to build transferable core business skills
- Attended national conferences to network with fellow interns and gain advice from established professionals

---

## ACTIVITIES

**Deloitte**, (Remote)

*Buddy Consulting Program*

July 2020- Present

- Identify business related challenges during case study projects analyzing Fortune 500 companies
- Run regression analysis & correlation models based on data given to identify strategic opportunities

**GWU Track and Field**, Washington, DC

*Student Athlete & Group Captain (Sprinter)*

August 2018-Present

- Organized the 15-member sprint group's various daily workouts based on their individualized improvement needs, leading to two athletes achieving top 3 finishes at conference championships and an overall group record for fastest average time
- Spearheaded a system to hold teammates accountable for balancing 30 hours of athletic practice weekly with rigorous academics
