EDUCATION & TRAINING

B.S. Computer Science

Expected June 2024

UNIVERSITY OF MARYLAND BALTIMORE COUNTY

- CMSC 201 - Intro to Programming CMSC 202 - Advanced Programming
- PHIL 201 - Critical Thinking MATH 243 - Discrete Mathematics

TECHNICAL SKILLS

Java JavaScript Html/CSS Introductory Python Reactjs Nodejs Postman Git/GitHub Figma

RELEVANT EXPERIENCE

Software Engineering Virtual Experience

March 2021 - April 2021

JP Morgan Chase

- Fixed a broken client stock data feed script in the repository by making the required adjustments to it and adding unit tests in the test script using Python.
- Created a chart for the trader's dashboard by making changes to the typescript files, thus outputting the stock price ratios and giving traders the right alerts.

PROJECTS

FILMO MOVIE APPLICATION

- Worked on a team to design, build and deploy a web app that searches for movie titles using the Open Movie Database API, JavaScript, Html/CSS, Reactjs, Postman and GitHub pages.
- Implemented a pagination feature which allows users to view multiple pages of results (Results are shown in blocks of 10 titles) which bring up the release date, runtime, genre and movie director.

BANK ACCOUNT APPLICATION

- Built an application that handles new customer bank account requests using object oriented programming concepts such as inheritance and polymorphism.
- Developed a savings and checking account architecture that share the ability to deposit, withdraw, transfer and reveal relevant account information as well as information specific to the checking and savings accounts.

LEADERSHIP/VOLUNTEERING

BETTER WORLD CAMEROON (TRANSLATOR)

- Translated English to Pidgin (Native Cameroonian language) and French to English, hence aiding communication between the natives and the Better World Administration.

COLUMBIA F.C (TEAM CAPTAIN)

- Assist the coach in planning and supervising training sessions to develop general fitness and specific tactical drills.
- Increased training and match day attendance by 30% by ensuring that the players had the schedules at least four days prior.

CLUBS/COMMUNITIES

- Sponsors for Educational Opportunities
- National Society of Black Engineers
- BLK Capital Management Community
- ColorStack
